TUD Dresden University of Technology, as a University of Excellence, is one of the leading and most dynamic research institutions in the country. Founded in 1828, today it is a globally oriented, regionally anchored top university as it focuses on the grand challenges of the 21st century. It develops innovative solutions for the world’s most pressing issues. In research and academic programs, the university unites the natural and engineering sciences with the humanities, social sciences and medicine. This wide range of disciplines is a special feature, facilitating interdisciplinarity and transfer of science to society. As a modern employer, it offers attractive working conditions to all employees in teaching, research, technology and administration. The goal is to promote and develop their individual abilities while empowering everyone to reach their full potential. TUD embodies a university culture that is characterized by cosmopolitanism, mutual appreciation, thriving innovation and active participation. For TUD diversity is an essential feature and a quality criterion of an excellent university. Accordingly, we welcome all applicants who would like to commit themselves, their achievements and productivity to the success of the whole institution.

At the Faculty of Electrical and Computer Engineering, Institute of Circuits and Systems, the Chair of Measurement and Sensor System Technique offers a position as

Foreign Language Assistance (m/f/x) (subject to personal qualification employees are remunerated according to salary group E 7 TV-L)

starting as soon as possible with up to 50% of the regular weekly working time, initially limited to 1 year (time limitation pursuant to TzBfG).

Tasks: Handling project-related secretarial tasks, such as e-mail and telephone correspondence and making appointments; preparing and accounting for business trips; accounting support for ongoing third-party funded projects (triggering purchase orders, preparing invoice accompanying sheets, preparing a financial overview); preparing personnel matters; looking after domestic and foreign guests, updating the website.

Requirements: successfully completed vocational training as a Foreign Language Secretary or office management assistant, or training of a similar level with equivalent knowledge and skills; very good knowledge of modern office and communications technology (PC, Microsoft Office, Internet); flexibility and ability to work independently; friendly and competent manner; ability to work in an international and interdisciplinary team and organizational skills; very good written and spoken English for international correspondence. Knowledge of SAP is advantageous.

We offer: a versatile and diversified job. You will work with us in a dynamic team and the attractive environment of a university of excellence with flexible working time models and opportunities for further education and training as well as a subsidized local public transport ticket (VVO-JobTicket). We welcome applications from candidates with disabilities. If multiple candidates prove to be equally qualified, those with disabilities or with equivalent status pursuant to the German Social Code IX (SGB IX) will receive priority for employment.

Please submit your detailed application with the usual documents by July 27, 2023 (stamped arrival date of the university central mail service applies) to: TU Dresden, Fakultät Elektrotechnik und Informationstechnik, Institut für Grundlagen der Elektrotechnik und Elektronik, Professur für Mess- und Sensorsystemtechnik, Herrn Prof. Dr.-Ing. habil. Jürgen Czarske, Helmholtzstr. 10, 01069 Dresden, Germany or by sending it as a single pdf file to grp-mst-sekretariat@msx.tu-dresden.de (Please note: We are currently not able to receive electronically signed and encrypted data).
