The Faculty of Biology invites applications for the

Chair (W2) of Didactics of Biology

to be filled on April 1, 2022.

You will represent the field of Didactics of Biology in research and teaching. You will play a key role in establishing and shaping the content of the new biology teacher training study program and will be responsible for the biology didactic components of the training (in German) in the teacher training study program for teachers at grammar schools, secondary schools and vocational schools, as well as for their ongoing development. Your future tasks will include the development of your own focus in a current area of biology didactics research as well as participation in the continuing education and training of biology teachers and lateral career movers. Close cooperation with the Center for Teacher Education and Educational Research (ZLSB) is required. Your willingness to actively participate in academic self-administration is a prerequisite.

We are seeking an individual who has demonstrated excellence in a current area of research in the didactics of biology through an outstanding PhD degree, publication activity, practical school experience, and pedagogical aptitude. We expect you to be willing and able to acquire third-party funded projects, to supervise PhD students, and to cooperate on an interdisciplinary basis. Applicants must fulfill the employment qualification requirements of § 58 of the Act on the Autonomy of Institutions of Higher Education in the Free State of Saxony (SächsHSFG).

For further questions please contact the Dean of the Faculty of Biology and the chairman of the appointment committee, Prof. Dr. rer. nat. Christoph Neinhuis, Tel. +49 351 463-34950, E-Mail christoph.neinhuis@tu-dresden.de.

TU Dresden seeks to employ more female professors. Hence, we particularly encourage women to apply. Applications from candidates with disabilities or those requiring additional support are very welcome. The University is a certified family-friendly university and offers a Dual Career Service. If you have any questions about these topics, please contact the Equal Opportunities Officer of the Faculty of Biology (Dr. Jannette Wober, +49 351 463-37840) or the Representative of Employees with Disabilities (Mr. Roberto Lemmrich, +49 351 463-33175).

Please submit your application including a CV, a description of your scientific career, a list of your scientific publications, a list of courses taught with the results of the teaching evaluation (preferably of the last three years) and if applicable a list acquired third-party funds as well as a certified copy of the certificate of your highest academic degree acquired until October 15, 2021 (stamped arrival date of the university central mail service applies) as hard copy to: TU Dresden, Dekan der Fakultät Biologie, Herrn Prof. Dr. rer. nat. Christoph Neinhuis, Helmholtzstr. 10, 01069 Dresden and in electronic form as a single PDF document via the TU Dresden SecureMail Portal, https://securemail.tu-dresden.de, to dekanat.biologie@tu-dresden.de.
