Faculty of Computer Science

The Institute of Systems Architecture, Chair of Systems Engineering (www.inf.tu-dresden.de/sya/se) offers two project positions as

Research Associate
(Subject to personal qualification employees are remunerated according to salary group E 13 TV-L)

starting November 1, 2021 for the special research field of the European Project AI-SPRINT – Artificial Intelligence in Secure PRiVacy-preserving computing coNTinuum. The position is limited until December 31, 2023 with the option of extension subject to further third-party funded projects. The period of employment is governed by § 2 (2) Fixed-Term Research Contracts Act (Wissenschaftszeitvertragsgesetz- WissZeitVG).

The Chair of Systems Engineering is conducting research within the framework of the EU third-party funded project “AI SPRINT” (www.ai-sprint-project.eu).

Tasks: Independent scientific research in the field of the chair, especially in the field of cloud computing and confidential computing. In this context, the main research areas include the development of software components within the AI-SPRINT-project. The development, publication and presentation of scientific publications at national and international conferences as well as journals are expected.

Requirements: very good university degree (M.Sc., Dipl.) in Computer Science or related fields, strong skills in distributed systems, ability to work independently and purposefully in a team; an integrative and cooperative personality with excellent communication and social skills; high engagement; fluency in English-written and oral; interest in interdisciplinary cooperation in all areas of computer science as well as with industrial partners. We search for a personality having practical experiences with various programming languages and concepts.

What we offer: You join a team of enthusiastic scientists who creatively pursue their individual research work.

Applications from women are particularly welcome. The same applies to people with disabilities.

Your application (in English only) should include: motivation letter, CV, copy of degree certificate and proof of English language skills. Complete applications should be submitted by October 13, 2021 (stamped arrival date of the university central mail service applies) preferably via the TU Dresden SecureMail Portal https://securemail.tu-dresden.de by sending it as a single pdf document quoting the reference: “AI-SPRINT, your name” in the subject header to christof.fetzer@tu-dresden.de or via mail to TU Dresden, Fakultät Informatik, Institut für Systemarchitektur, Professur für Systems Engineering, Herrn Prof. Dr. Christof Fetzer, Helmholtzstr. 10, 01069 Dresden, Germany. Please submit copies only, as your application will not be returned to you. Expenses incurred in attending interviews cannot be reimbursed.
